Sheena Tran,
MS 3

George Wilson,
MS 3

Azkaa Zaman,
MS 3

Graduate Medical Education | WELCOME

Magnolia Regional Health Center is pleased to be a teaching hospital with the provision of Internal Medicine inpatient and outpatient services.

During your stay with us, or through your continuing care after discharge, your health care needs may be provided by a TEAM of professionals like no other!

You may see ONE, or MANY, of the student doctors listed on this card through your stay, along with cardiology fellows and/or internal medicine residents.

Our team of resident physicians and student doctors under the direction of expert faculty, provide the excellent care you deserve, with kindness, courtesy and compassion.

Magnolia Regional Community Care Clinic, located on Alcorn Drive, can assist with your outpatient clinical needs. Please call 662.293.1591 to arrange your appointment.

If we don't meet your expectations for any reason or if you have questions, please do not hesitate to contact our Graduate Medical Education Office at 662.293.7686.
